Alchemy - Wikipedia
Alchemy (from Arabic: al-khīmiyā; from Ancient Greek: khumelia) is an ancient branch of natural philosophy, a philosophical and protoscientific tradition that was historically practiced in China, India, the Muslim world, and Europe. In its Western form, alchemy is first attested in a number of pseudepigraphical texts written in Greco-Roman Egypt during the first few centuries CE.

Alchemy, a form of speculative thought that, among other aims, tried to transform base metals such as lead or copper into silver or gold and to discover a cure for disease and a way of extending life. Alchemy was the name given in Latin Europe in the 12th century to an aspect of thought that corresponds to astrology, which is apparently an older tradition.

Employee Safety Training | Intertek Alchemy

Religious Daoism (Stanford Encyclopedia of Philosophy)
Aug 19, 2016 · 1. Early Daoist Texts. It would hardly be possible to identify a school or a lineage in the history of Daoism which denies that the entire Daoist tradition, in the forms in which it has been transmitted for about two and a half millennia, ultimately derives from Laozi and from the work that is ascribed to him, the Daode jing or Book of the Way and Its Virtue.

The Song Dynasty in China | Asia for Educators
In 1000, 1100, 1200, and 1300, China was the most advanced place in the world. Marco Polo (1254-1324) recognized this when he got to China in the late 13th century after traveling through much of Asia. In what is now Europe, this was the period now referred to as the “high” Middle Ages, which fostered the Crusades and witnessed the rise of Venice, the mercantile center that was Marco Polo

Lesson 1 - Introduction to the Tarot
In this introduction, I’ll try to explain why. The origin of the tarot is a mystery. We do know for sure that the cards were used in Italy in the fifteenth century as a popular card game. Hermetic philosophy, the Kaabalah, alchemy, and other mystical systems. These pursuits continued into the early part of the twentieth century when the
